**Title 16, Division 4. Board of Chiropractic Examiners**

NOTICE IS HEREBY GIVEN that the Board of Chiropractic Examiners (Board) is proposing to take the action described in the Informative Digest. No public hearing has been scheduled on the proposed action. However, any interested person or such person's duly authorized representative may request, no later than 15 days prior to the end of the written comment period, a public hearing pursuant to Section 11346.8 of the Administrative Procedure Act. Any person may present statements or arguments in writing relevant to the action proposed. Written comments must be received by the Board of Chiropractic Examiners at 2525 Natomas Park Drive, Suite 260, Sacramento, CA 95833-2931, or by fax at 916/263-5369, or by e-mail addressed to [mhamilton@chiro.ca.gov](mailto:mhamilton@chiro.ca.gov) no later than 5:00 p.m. on February 12, 2007. The Board of Chiropractic Examiners, upon its own motion or at the instance of any interested party, may thereafter adopt the proposals substantially as described below or may modify such proposals if such modifications are sufficiently related to the original text. With the exception of technical or grammatical changes, the full text of any modified proposal will be available for 15 days prior to its adoption from the person designated in this Notice as contact person and will be mailed to those persons who submit written or oral testimony related to this proposal or who have requested notification of any changes to the proposal.

Authority and Reference: Pursuant to the authority vested by Section 4(b) of the Chiropractic Initiative Act [Section 1000-4(b) of the Business and Professions Code] and to implement, interpret or make specific Section 5 of the Chiropractic Initiative Act [Section 1000-5 of the Business and Professions Code], the Board of Chiropractic Examiners is considering changes to Division 4 of Title 16 of the California Code of Regulations as follows:

**INFORMATIVE DIGEST/POLICY STATEMENT OVERVIEW**

Repeal Section 356.1. Cardiopulmonary Resuscitation/Basic Life Support Training. Section 4(b) of the Chiropractic Initiative Act [Section 1000-4(b) of the Business and Professions Code] gives the Board the responsibility for implementing regulations they deem necessary for the performance of its work in order to maintain a high standard of professional services and the protection of the public.

Section 356.1 requires Doctors of Chiropractic to maintain certification of Cardiopulmonary Resuscitation/Basic Life Support from the American Heart Association, American Red Cross or other association approved by the Board. This unnecessary regulatory intervention has not been shown to have a positive impact on the level of care by licensed Doctors of Chiropractic since it took effect in November 2003. Following a review of other health boards in California, it was concluded that the Medical Board, Board of Podiatric Medicine, and the Board of Optometry had repealed their CPR requirement. Furthermore, the Board is not authorized to and lacks the expertise in approving "associations" to provide CPR or BLS training.

## FISCAL IMPACT ESTIMATES

Fiscal Impact on Public Agencies Including Costs or Savings to State Agencies or Costs/Savings in Federal Funding to the State: None.

Nondiscretionary Costs/Savings to Local Agencies: None.

Local Mandate: None

Cost to Any Local Agency or School District for Which Government Code Section 17561 Requires Reimbursement: None

Business Impact: Because the proposed amendment is directed at individual licensees, the Board has determined that the proposed regulatory action will not have a significant statewide adverse economic impact directly affecting California business enterprises and individuals, including the ability of California businesses to compete with businesses in other states.

Impact on Jobs/New Businesses: The Board of Chiropractic Examiners has determined that this regulatory proposal will not affect the creation or elimination of jobs, the creation of new businesses or the elimination of existing business, or the expansion of businesses currently doing business, within the State of California.

Cost Impacts on Representative Private Persons or Businesses: The Board is not aware of any cost impacts that a representative private person or business would necessarily incur in complying with the proposed amendment.

Housing Costs: The Board has made an initial determination that the proposed regulatory action will not affect housing costs.

Small Business Impact: The proposed amendment will not affect small businesses. The proposed action affects only licensing requirements of individual licensees.

## CONSIDERATION OF ALTERNATIVES

The Board of Chiropractic Examiners must determine that no alternative which it considered or that has otherwise been identified and brought to the attention of the Board would be more effective in carrying out the purpose for which the action is proposed or would be as effective and less burdensome to affected private persons than the proposal described in this Notice.

Any interested person may present statements or arguments in writing relevant to the above determinations at the above-mentioned address.

## INITIAL STATEMENT OF REASONS AND INFORMATION
